Dion Demetri : Daddy Issues (Members Only Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daddy Issues (Members Only Book 2):

3 of 3 people found the following review helpful. Lovable CharactersBy Green RoseI am giving this book a 5 STAR based on the fact that it held my attention the entire time. I loved both characters, and there was a plot, too. The cover is beautiful. Since I listen to my books on my Kindle, his formatting didn't disturb me. There are two ways to format a book, one for your printed version and one for the e-version. There were some errors, but they didn't take away from the story for me. If you're a grammar nut, then you might be slightly disturbed. I really got into the characters' feelings. I really wish the author would write more about these two characters. I just loved them. I'll be reading more from this author. I didn't read book 1 yet since the blurb had different names. This blurb, title and cover called my name and I did enjoy it.2 of 2 people found the following review helpful. Not quite what I was expectingBy SwissArmyWifeThe premise for this story is so, so good. But the execution is a little lacking. We see the two main characters meet and have a couple of conversations, then fast forward a full year. This story skips over the vast majority of the "getting to know you" and of the healing that is so necessary for this kind of story.I wanted to love it, but I felt like it was a little rushed.On the upside - this has a HEA, no cliffhanger and is a standalone part of a series.0 of 0 people found the following review helpful. Young V's Older = A seriously hot relationship!By AprilWhat happens when one good deed ends up with a barely 18 year old abused bay moving in.A year later he is in good shape, and in love with his big bear lie daddyWhen things go south and Sage relapses, Stefan must find him and figure out what caused the mental brake.Can they find theme way back to each other?Can Sage !make his big man believe he truly loves him?A wonderful book! Hot love scenes, great story lines.

5% of royalties received from the sale of Daddy Issues are donated to The Trevor Project; the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgender and questioning (LGBTQ) young people ages 13-24. With a history of molestation and abuse, Sage turned eighteen living on borrowed time. After his mother had died the year before, Stan, his stepfather, had been disgustingly clear on the type of repayment that was expected as soon as Sage was of legal age. Sage would do almost anything to avoid becoming his stepfather's whore. At 34, Stefan was also alone. Quiet and serious, he was definitely an atypical biker with a heart of gold. What no one knew, not even Stefan himself, was how far he would go to protect an innocent that he had never met. When Stefan took Sage under his wing on the night of his eighteenth birthday, he was determined to maintain a purely platonic relationship and allow the boy to determine what he wanted out of life but Sage already

knew. He wanted Stefan. Can he convince Stefan that they are meant to be together?
